

The background features a light blue sky with stylized white and light blue clouds. Several blue musical notes are scattered throughout the scene. In the center, a circular globe of the Earth is depicted with green continents and blue oceans. A silver fork with a black handle is positioned to the left of the globe, and a silver knife with a black handle is to the right. The text 'EARTH DAY CELEBRATION AND FOLK & BLUEGRASS FESTIVAL' is at the top, and 'EARTH DAY GUIDE' is overlaid on the globe.
